A hand-drawn sketch of a mobile application interface for a sign-up page. The screen is enclosed in a rounded rectangle with a thick black border. At the top, there is a status bar with a grey background, containing icons for Wi-Fi, cellular signal, battery, and the time 9:18. Below the status bar is a header area with a red rectangular placeholder for a logo on the left and a hamburger menu icon (three horizontal lines) on the right. The main title "Sign Up" is centered in a large, bold, black font. Below the title is a red rectangular area with two rows of dark red, scribbled lines, representing a decorative banner or placeholder for an image. The form consists of five input fields, each preceded by an asterisk (*) indicating a required field. The labels are "Email:", "First Name:", "Last Name:", "Password:", and "Password again:". Each label is followed by a white rectangular input box with a black border. Below the input fields is a red rectangular button with the text "SIGN UP >" in white. At the bottom of the screen is a dark grey footer bar. It contains the text "Follow Xbox Anticipator" in white, followed by three white social media icons: Twitter, a stylized logo (possibly for a game or community), and Facebook.
